

Chevrolet Product Information

2019 CHEVROLET CORVETTE ZR1

FAST FACT

Corvette was introduced in 1953. Only 300 were produced, each of them Polo White with a red interior.

BASE PRICE

\$119,995 (incl. DFC) – coupe

\$122,990 (incl. DFC) – coupe with ZTK Track Performance Package

\$123,995 (incl. DFC) – convertible

\$126,990 (incl. DFC) – convertible with ZTK Track Performance Package

EPA VEHICLE CLASS

Coupe with removable roof panel or Convertible

VEHICLE HIGHLIGHTS

- The 2019 ZR1 is a supercar that advances Corvette's performance legacy with the highest power, greatest track performance and most advanced technology in its production history
- Offered in 1ZR and 3ZR trims in coupe and convertible body styles
- The ZR1's LT5 6.2L V-8 engine advances Corvette's supercharging legacy, offering the highest output ever for a Chevrolet production vehicle, thanks in part to a new, more-efficient intercooled supercharger system that offers 52 percent more displacement than the Z06's LT4 supercharger
- GM's first dual-fuel-injection system, which employs primary direct injection and supplemental port injection, helps the LT5 achieve 755 horsepower and 715 lb.-ft. of torque
- The ZR1's aggressive appearance is driven by function, with a unique front fascia designed to channel air for propulsion-system and drivetrain cooling, including four new radiators bringing the heat-exchanger total to 13
- A special carbon-fiber "halo" hood is open in the middle to clear the LT5 engine's supercharger/intercooler assembly
- Additional features, including aero packages with stanchion-mounted wings, help push the ZR1 harder onto the track for more confident handling and faster lap times
- Two aero packages are offered: A standard rear Low Wing, which delivers the highest top speed and an available two-way-adjustable High Wing that offers maximum downforce on the track for the quickest lap times
- The adjustable High Wing is part of the available ZTK Track Performance Package (\$2,995), which also includes a front splitter with carbon-fiber end caps, Michelin Pilot Sport Cup 2 summer-only tires, and specific chassis and Magnetic Ride Control tuning for greater cornering grip
- Both of the ZR1's wings are tied into the chassis, like the Corvette Racing C7.R racecar, for strength and stability
- Available Sebring Orange Design Package. Contents include: Sebring Orange Tintcoat exterior color, orange-painted calipers, ZR1 Carbon Flash-painted aluminum wheels, orange custom leather stitch, orange-painted striped ground effects, Jet Black leather seating surfaces with sueded microfiber inserts with orange stitching, Competition Sport bucket seats, carbon fiber and sueded microfiber-wrapped rim, flat-bottom steering wheel, orange

Chevrolet Product Information

safety belts, ZR- logo floor mats with orange accents and bronze-tinted aluminum interior accents

- Performance Data Recorder is standard on 3ZR and available on 1ZR
- Chevrolet Infotainment system with 8-inch-diagonal color touchscreen
- Apple CarPlay and Android Auto smartphone projection capability
- Chevrolet 4G LTE with Wi-Fi hotspot (3GB/one-month trial)
- Standard leather-wrapped flat-bottom steering wheel on 1ZR; carbon fiber and leather-wrapped flat-bottom steering wheel is standard on 3ZR
- Keyless open and start
- Curb-view cameras included on 2LZ and 3LZ trims
- Head-up display is standard on all trims
- Bose 10-speaker audio system with bass box included on 3ZR; nine-speaker system on 1ZR
- Heated and ventilated leather-trimmed seats are standard on 3ZR
- Competition Sport seats are available on 1ZR and 3ZR
- Leather wrapped interior with sueded upper interior trim included on 3ZR
- Standard dual-zone automatic climate control
- Available performance air intake (dealer-available accessory)
- Corvette Museum delivery and Customer Engine Build Program are available

SAFETY FEATURES

- Four standard air bags, including side-impact air bags
- Four-wheel disc brakes with four-channel ABS
- Active Handling with electronic stability control
- Safety belt pretensioners
- Rear-vision camera
- Tire pressure monitoring with run-flat tires

2019 CHEVROLET CORVETTE ZR1 SPECIFICATIONS

EPA FUEL ECONOMY

City	13 mpg (manual) 12 mpg (automatic)
Highway	19 mpg (manual) 20 mpg (automatic)

FUEL TANK CAPACITY

18.5 gal. / 70 liters

ENGINE

Type:	LT5 6.2L Supercharged V8 with dual fuel system
Bore & Stroke (in / mm):	4.06 x 3.62 / 103.25 x 92
Block Material:	Cast aluminum
Cylinder Head Material:	Cast aluminum
Valvetrain:	Overhead valve, two valves per cylinder
Fuel Delivery:	Direct injection
Horsepower (hp @ rpm):	755 @ 6400 rpm (SAE certified)
Torque (lb.-ft. @ rpm):	715 @ 3600 rpm (SAE certified)

TRANSMISSION & AXLE

Type:	7-speed manual with Active Rev Match 8-speed paddle-shaft automatic	
Gear ratios (:1):	Manual	Automatic
First	2.29	4.56
Second	1.61	2.97
Third	1.21	2.08
Fourth	1.00	1.69
Fifth	0.82	1.27
Sixth	0.68	1.00
Seventh	0.45	0.85
Eighth	--	0.65
Reverse	2.70	3.82
Final Drive Ratio:	3.42 (manual) 2.73 (automatic)
